HONOLULU — Senior Master Sergeant Wayburn D. Humphries, right, son of Mr. and Mrs. L. M. Humphries of Holly Springs, Ark., has received his second award of the U.S. Air Force Commendation Medal at Hickam AFB, Hawaii.

Captured Man Leads Officers to 2nd Body

FAYETTEVILLE, Ark. (AP) — Jack I. Wilkerson, 38, led authorities to the body of Lester Nieman, 47, of Fayetteville, Wednesday after being arrested in connection with the slaying of Hugh Hollis Hill, 27, of near-by Greenland.

City, state and county officers launched an intensive manhunt for Wilkerson after Nieman and Hill were shot to death Tuesday night. He was captured near the Fayetteville airport Wednesday, and was charged with assault with intent to kill in connection with an exchange of gunfire with State Trooper Tommy Williams Tuesday night.

After questioning at the city jail here, where he is being held, Wilkerson led officers to a wooded area about one mile south of U.S. 71 on White Rock Mountain, 25 miles south of here, where Nieman's body was found.

The only trace of Nieman previously was a pair of glasses discovered in a blood-spattered car parked behind Hill's home.

Hill's body was found in his bed after Wilkerson escaped from Williams Tuesday night.

He is now at Hickam with the Pacific Air Forces which provides tactical air power supporting the U.S. and its allies in Southeast Asia and the Far East.

The sergeant is a 1950 graduate of Sparkman (Ark.) High School. He has studied at North Texas State University, Arlington (Tex.) State University and the University of Hawaii during his off-duty hours.

Sergeant Humphries' wife, Joretta, is the daughter of Otis C. Sims, 319 N. Elm, Hope, Ark.

Knows Where the Heifers Are Lost

NEWHALL, CalM. (AP) — Two of Alvin Cook's Hereford cows may be lost, but Cook and everybody else knows exactly where they are.

Trouble is, nobody can get the 9-month-old white face heifers out.

The life is good there—in a steep-sided ravine with plenty of grass and water from a stream at the foot of Cat Mountain about five miles southwest of Newhall.

After Cook and a wrangler discovered the animals Saturday, they've been trying to bring them out, but waterfalls block the way.

The Society for the Prevention of Cruelty to Animals asked the fire department to help, but it was decided it was too dangerous to lift the cows out by helicopter.

Cook, a stockraiser who grazes 42 head on leased range, said the heifers apparently became entangled in brush and tumbled into the ravine.

NY Teachers Say They'll Defy Court

By BOB MONROE
NEW YORK (AP) — Union leaders say they'll defy a State Supreme Court order calling for a halt to their three-day-old teachers strike. The walkout has sent absenteeism among New York City's 1.1 million public school children roaring over 60 per cent.

Albert Shanker, president of the 49,000-member AFL-CIO United Federation of Teachers said Wednesday its picket lines "will stay until the teachers have ratified a contract."

The temporary injunction prohibiting a continuation of the strike was ordered by Justice Emilio Nunez. The union ignored a prior restraining order when it began the walkout Monday.

Shanker and two other union officials were to appear in court today before Nunez to show cause why they and the union should not be cited for contempt. If found guilty they would face a maximum penalty of \$250 and 30 days in jail.

While legal maneuvers continued there were growing signs of student concern. "Teach now, talk later," read signs carried Wednesday by some student counterpickets outside Central Commercial High School.

Attendance at the city's 900 schools fell to only 412,279 students and volunteer help also decreased according to board of education figures. Officials said no plans had yet been made for making up lost instruction time.

Excavation Bids Taken

LITTLE ROCK (AP) — An apparent low bid of \$520,455 was submitted by Phil B. Baldwin, Inc., of Little Rock, Tuesday for construction of the proposed Child Guidance Center at the University of Arkansas Medical Center here.

Rockefeller Says Hearing Not Political

LITTLE ROCK (AP) — Gov. Winthrop Rockefeller denied Wednesday that his ouster hearing against some members of the state Game and Fish Commission was politically motivated and said he would make the final ruling in the hearing.

Rockefeller, in a late afternoon news conference after returning from the four-day Southern Governor's Conference at Asheville, N.C., was asked to comment on requests for an attorney general's opinion on whether the governor legally could designate a panel to hear testimony in the ouster proceedings.

"Never once have I suggested that the responsibility (of ruling on the hearing) is not that of the governor," Rockefeller said.

Last week, the governor named three persons to hear the evidence against the commission and an attorney to present the evidence. He has declined, however, to specify his charges or which commission-

ers he is attempting to oust.

Rockefeller said the hearing panel would not be involved in any decision making. Asked why he was holding a hearing since he would rule on the matter anyway, Rockefeller said, "Purely and simply because I may have been misinformed."

Legal technicalities that might frustrate his maneuver would be resented by the people, Rockefeller said.

The governor again said he would not ask the special legislative session early next year to enact legislation that would allow Pulaski County to hold a special election for county judge.

"It should be cleared up, there's no question about that," he said, but added such an election would be held in the summer before a general election

University Trustee Dies
FAYETTEVILLE, Ark. (AP) — James E. Pomfret, 51, vice president for business and secretary of the Board of Trustees of the University of Arkansas since 1958, died Wednesday at a Fayetteville hospital.

Appeals Ruling to High Court
LITTLE ROCK (AP) — R.T. Phillips, enjoined from acting as a real estate broker by Chancery Court here after the state Real Estate Commission charged him with acting as a broker in the sale of the Buffalo Basin Guest Ranch near Jasper without a license, appealed to the Arkansas Supreme Court Wednesday.

JUST IN CASE

Dear Helen: I would like you to settle an argument between me and my girl friend. I say that if you really love your husband and he asks for a divorce, you'll give it to him because you only want his happiness.

Her argument is that you should fight for him with every trick available, for then he would see how much you love him.

Neither of us is married. But if this should ever come up we want to know which way is best.—LYNN

Dear Lynn: If you love a man so much that you only want his happiness, he isn't likely to wander. But if he does, then I say—fight for what's yours. "Only fight" isn't the proper word. Let's say instead: "Strive mightily to prove you are the one he really wants." Sometimes a man isn't sure—and drifts toward a gal who works the hardest at it.—H.

Coming, Going

Dora Ann King will leave Friday for North Texas State University at Denton to work on a Master's Degree in Music under an assistantship.

Mr. and Mrs. Lyle Moore have had as their guests Mr. and Mrs. Edward Snodgrass, Midland, Tex., Mrs. Maxwell Simmons and Mrs. Tom Lightfoot, both of Longview. Mr. Snodgrass returned home this week, but the rest have remained for longer visit.

Mr. and Mrs. N. T. Dyson, Ft. Worth, spent last weekend with the Rev. and Mrs. John Beasley and family.

Rose Ann Williams, who will be a senior at Texas Woman's University, and A. C. Kevin Gerlitz, who is stationed at Sheppard AFB, Tex., left Wednesday for Denton, so she could rehearse for a Campus Government Skit to be presented to new students at the school.

forced. Now he is dating me again. He says he wants to marry me and give our little two-year-old girl a name. I haven't dated anyone since I became pregnant, and have kept right on loving him. But I'm not sure whether he is marrying me now out of guilt or because he really cares.—WHICH?

Dear Which: I'm not sure if he is marrying you—PERIOD. Promises get you nothing but trouble before. Let HIM prove his love this time!—H.

Dear Helen: I made a new friend and thought she was nice. But I went downtown with her and saw her pick up a lipstick and slip it in her purse. I thought maybe she had just forgotten to put it back so didn't say anything.

Then she stayed overnight with me, and the next day my mother missed two quarters she had on a shelf to tip the paper boy and I couldn't find a ring I'd put on my dresser. We aren't sure about these things, and maybe they'll turn up. I'd feel terrible if I dropped her and she wasn't really gully. What should I do?—SUSPICIOUS

Dear Sus: You can't build a friendship on suspicion. Ask the

girl where she got her lipstick. If she lies or "can't remember," tell her what you saw, and what you suspect. She needs expert help before her sticky fingers get her in a jam.—H.

This column is dedicated to family living, so if you're having kid trouble, or just plain trouble, let Helen help YOU.

Clemente Proves He Gives Best

By RON RAPOPORT
Associated Press Sports Writer
Roberto Clemente conducted a short course in show and tell Wednesday.

First the Pirate slugger gave some of his teammates a mild dressing-down for not giving their best. Then he showed them just how good somebody's best can be. He got five hits and drove in four runs as the Pirates pulverized Cincinnati 11-3.

Earlier in the day, Clemente had been quoted as saying some of the Pirates hadn't done their best for former Manager Harry Walker, who was fired in June. Against the Reds, Clemente hit his 21st homer as well as a double and three singles. Tommie Sisk went all the way for Pittsburgh, evening his record at 12-12.

In other National League games Wednesday night, Philadelphia blanked St. Louis 3-0, Los Angeles downed San Francisco 6-3 and New York edged Atlanta 2-1.

In the American League, Chicago outlasted Cleveland 1-0 in 17 innings, Minnesota nipped Washington 3-2, Detroit clubbed Baltimore 6-1, Boston beat Kansas City 4-2 and New York edged California 6-4.

Clemente didn't name any of the culprits in his blast, first aired in a radio interview in Puerto Rico. None of them seemed ready to dispute who had given 100 per cent in Wednesday's game.

Larry Jackson conquered a seven-game hex against the Cardinals with a fine two-hitter, giving up only a single to Lou Brock in the fourth and a double to Curt Flood in the ninth. Bill White homered for the Phillies.

Al Ferrara drove in three runs for the Dodgers and Jim Lefebvre homered as Mike McCormick failed to win his 20th game. Ollie Brown homered for the Giants and Claude Osteen, who went the distance, was the winning pitcher, striking out 10.

Jerry Grote's two-out single in the ninth inning drove in Ed Kranepool with the winning run for the Mets. Tom Seaver became the winningest pitcher in Mets' history with his 14th triumph.

Five NASCAR Drivers in \$50,000 Class

CHARLOTTE, N.C. (AP)—Five NASCAR drivers have won \$50,000 or more in prize money this season and nine have earned more than \$25,000 current figures revealed today.

Richard Petty, who has won 23 times in 41 starts, leads the money parade with \$114,125. The Plymouth driver from Randleman, N.C., also leads the season's point championship race by 3,088 points over runner-up James Hylton.

Minnesota, Boston in First Place

By HAL BOCK
Associated Press Sports Writer
Fit Dean Chance with a fireman's hat and Joe Adcock with something a bit more restraining.

Chance strode out of the Minnesota bullpen for only the second time this season Wednesday night and saved Minnesota's 3-2 victory over Washington and the Twins' share of the American League lead. Boston, tied for first place with Minnesota, defeated Kansas City 4-2 in an afternoon game.

Adcock's Indians, meanwhile, struggled through 17 scoreless innings, nine of them without a hit against Chicago's Gary Peters and finally lost to the White Sox 1-0 on Rocky Colavito's run-scoring single.

Third-place Detroit remained one game off the pace as Mickey Lolich pitched a five-hitter and Al Kaline and Dick Tracewski rapped home runs in a 6-1 victory over Baltimore.

In the only other American League game played Wednesday, New York dropped California 6-4.

In the National League, New York edged Atlanta 2-1, Pittsburgh pounded Cincinnati 11-3, Philadelphia shut out St. Louis 3-0 and Los Angeles downed San Francisco 6-3.

Jim Kaat was cruising along on a six-hit shutout going into the ninth against Washington and the Twins' 3-0 lead built mostly on Harmon Killebrew's 39th homer, looked substantial enough.

But Frank Howard and Paul Casanova opened with singles and Fred Valentine drove a double off the right field wall. Tony Oliva, attempting to catch Valentine's drive, crashed into the wall and suffered a three-stitch cut in his left eyelid and superficial knee bruises.

Manager Cal Ermer, who had considered removing Kaat before Valentine's hit, waited no longer. "As soon as I saw the ball head for the fence in right," Ermer said, "I knew I'd made a bad move." Now, he made a good one, calling for Chance.

The ace right-hander gave up a sacrifice fly to rookie Frank Coggins and then struck out Mike Epstein and Cap Peterson, leaving the tying run stranded.

Peters pitched 11 innings of the strangest one-hit ball you've ever likely to see. The White Sox' ace left-hander permitted only a second inning triple by Joe Azcue but walked 10 batters and was in constant trouble.

Sonny Siebert, meanwhile, matched Peters, allowing three hits in the first four innings and no more until the 11th. But the Indians stranded 11 base runners.

The White Sox finally won it in the 17th when Ken Boyer singled with one out and pinch runner Charlie Bradford raced to second on a passed ball. After Tom McCraw was purposely walked, Colavito singled Bradford home.

Lolich, who lost 10 in a row over one stretch, won his sixth straight for the Tigers after spending most of Wednesday in bed, nursing a cold.

Kaline had three hits and scored three runs. His 24th homer in the third inning followed utility man Tracewski's first of the season.

Tracewski's homer was only the fourth of his major league career and it came against Baltimore's Pete Richert. The two are old friends and Tracewski served as best man at Richert's wedding. "My first two times up in the American League," Tracewski recalled, "he struck me out."

Rico Petrocelli drove in three runs—two of them with a tie-breaking double in the eighth inning as the Red Sox trimmed the Athletics. He singled home Boston's first run in the fourth. Both times, he delivered after Kansas City had purposely walked Ken Harrelson.

So with 15 games remaining for all four contenders, Boston and Minnesota remain tied for the lead, Detroit is one game behind and Chicago three off the pace.

Rookie Jerry Kenney smashed a two-run inside-the-park homer and then drew one of three walks that helped build a four-run sixth inning and a Yankee victory over California. Two of the sixth-inning runs were forced home by bases-loaded walks.

Wednesday's Stars

BATTING—Roberto Clemente, Pirates, collected five hits and drove in four runs as Pittsburgh bombed Cincinnati 11-3.

PITCHING—Larry Jackson, Phillies, stopped St. Louis on two hits while Philadelphia beat the Cards 3-0.

Figures Cats Over DeQueen

Fort Smith Northside opens conference play Friday in the AAA's Central Division and El Dorado has the dubious task of trying to halt the Grizzlies.

Northside has scored 88 points in two straight victories and its first unit is unscathed upon. El Dorado has also won two straight and has allowed only one touchdown.

Native Diver Returning to Racing Scene
By BOB MYERS
INGLEWOOD, Calif. (AP)—Native Diver, one of California's most famous and successful race horses, will return to the scene of the climactic race of his remarkable career.

He will be buried at Hollywood Park.

The 8-year-old gelding, the dark-brown darling of sentimental race track people died in the veterinarian facility at the University of California at Davis early Wednesday.

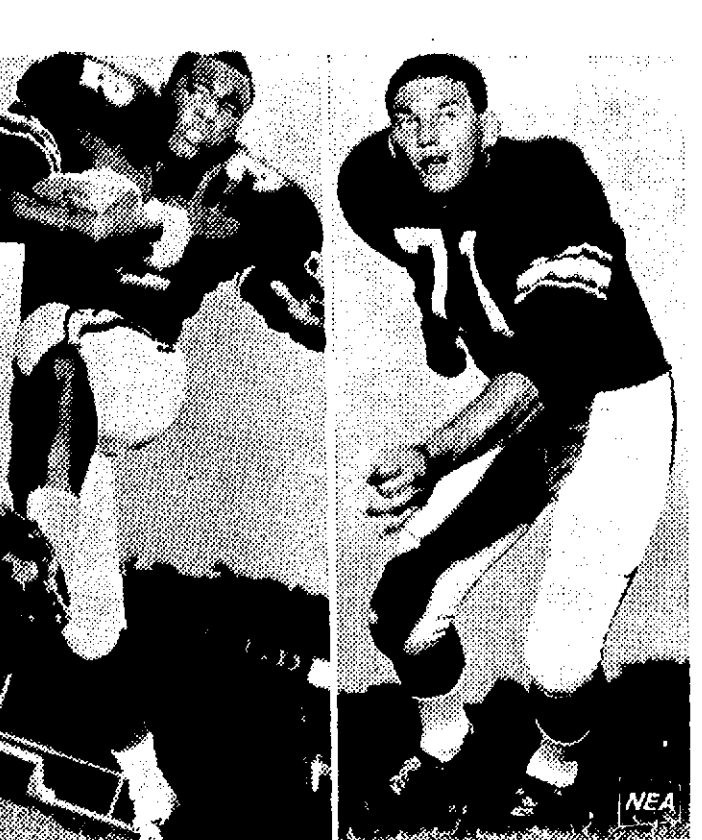

The cause of death was peritonitis and resulting toxemia poisoning.

The Diver suffered a coughing spell en route by van from the Del Mar Turf Club in Southern California to race at Bay Meadows near San Francisco.

A luxury van, given state highway patrol permission to speed but with caution, rushed the Diver to Davis. But an all-night effort by a team of Davis veterinarians was unsuccessful.

Hollywood Park's assistant general manager, Thore Brekke, after conferring with the horse's owner-breeder, L.K. Shapiro, said the Diver will be buried beneath the lawn and amidst the flowers of the garden area behind the grandstand.

The old fellow will rest among friends. It was the grandstand

Intrepid Has Two Straight Victories

By SID MOODY
NEWPORT, R.I. (AP)—Dame Pattie's navigator, Norman Wright and his fellow Aussies have, like John Paul Jones, just begun to fight.

"Let's get into it," Wright said steadfastly after the New York Yacht Club's Intrepid gave the Australian challenger her second straight beating Wednesday in the best-of-seven series for the America's Cup.

So today, come hell, high water or Intrepid, the two 12-meter sloops will have at it for a third time over the 24.3-mile triangular course on Rhode Island Sound.

Despite losing by about one-half mile to Intrepid—amounting to a 3-minute 35-second margin—Wright, spokesman for the Aussie boat, said, "We were tremendously encouraged with our performance."

And, in a lighter wind than they had hoped for, the Australians improved markedly on their first-race showing. In that one Dame Pattie didn't have the drive that Intrepid had to cut through seas from a 22-knot blow.

At Wednesday's start, the wind was east-northwest and about 10 knots. For five minutes before the starting gun, Dame Pattie's skipper, Jock Sturrock, and Bus Mosbacher of Intrepid circled each other like a dog chasing his tail.

Then Mosbacher broke off with his Genoa jib set, came about and both 12s headed for the leeward end of the line with Intrepid upwind. Both sloops had their sails clear of each other's backwind but about 30 seconds after an almost even start, Mosbacher began to be bothered by Dame Pattie's slipstream, indicating the Aussies were gaining on Intrepid.

The 46-year-old American helmsman tacked to clear his air. Sturrock followed him immediately and began a series of quick tacks to try and edge up on the Cup defender.

If the tactic didn't entirely succeed, neither did it fail. Both yachts remained about 130 feet apart. But then Sturrock tried a false tack, coming partially about and then falling away again. Mosbacher was alert to the feint, however, and when Dame Pattie squared away again, she had lost considerable speed while Intrepid had not.

Thereafter, Intrepid edged ahead as Sturrock broke off the tacking duel.

Both yachts were bothered by the wakes of the spectator fleet of some 500 yachts, passenger vessels, destroyers and Coast Guard cutters. Both took waves into their cockpits and once on a long port tack on the first leg sailed at eight knots towards the onlooking fleet sending pleasure yachts and destroyers scurrying.

Asked how he felt his chances were, Wright turned back into the dusty history of this 116-year-old trophy when, in 1932, Britain's Endeavour, an admittedly faster boat, took the first two races from America's Rainbow.

"And America won the cup," he said with a John Paul Jonesian authority. And so she did.

people, the \$2 bettors who seldom bet on him because the price was invariably short, who set up a deafening roar just last July 15.

That was the day the big black horse won the \$162,100 Hollywood Gold Cup Handicap for the third straight year. No other horse had ever won the Gold Cup more than once.

Ten days ago the Diver, often a cantankerous old cuss who insisted on setting the pace, won the rich Del Mar Handicap.

Bobcats to DeQueen on Friday

By RALPH ROUTON
Star Sports Writer
Tomorrow night's opponents for the Bobcats brings forth the DeQueen Leopards, and this year we must play this annual meeting at the home of the Leopards.

DeQueen will present approximately the same problems on offense that the Cats encountered last week against Prescott. Only DeQueen actually will not be a threat in the passing game.

Their quarterback, Jimmy Campbell, was converted from flankerback when the former regular caller left the squad a week before their opening game. If and when Campbell passes, his prime targets will be Tollett and Van Beber, a pair of adequate though inexperienced receivers. Rounding out the backfield, Mac Larseigne will be the tailback, Ronnie Campbell at wingback, and workhorse 190-pound Sam Cowling at fullback.

Cowling provides the gist of the Leopard attack, whether he is diving over tackle or leading blockers on sweeps. And the Leopards probably have a good sized line barring injury. Braced by Bobby Trammell and Crager Minor, the line should be strong, but will lack depth.

Both Hope and DeQueen have 1-1 records, as DeQueen was beaten 18-0 by Mena, but defeated Broken Bow, Oklahoma by the score of 34-2 last Friday. Neither the Bobcats nor the Leopards will likely drive consistently, and it should be a great defensive battle.

Tonight the Hope Bobkittens travel to DeQueen to take on the Leopard Cubs at 7:30 p.m. Also tonight at 7:30 p.m. the Hope "B" Team will play host to Fouke. Then the Bobcats play the Leopards in DeQueen tomorrow night, with the kick off set for 8:00 p.m.

Fines Dealt Out to Five Rangers

KITCHENER, Ont. (AP)—Emile Francis was 41 years old Wednesday but it's a cinch that at least five of his New York Rangers players weren't celebrating.

Francis, general manager-coach of the Rangers, doled out a record \$2,100 in fines to players who had not yet reported to the National Hockey League team's training camp.

Slapped with \$500 fines were high scorer Rod Gilbert, center Orland Kurtenbach and defenseman Arnie Brown. Minor league goalie Don Simmons and Wayne Hall, a rookie, were each fined \$300.

adjusted. If this cannot be
done the drug must be with-

complications in persons who
have peptic ulcer, gastritis,

WIN AT BRIDGE

Sacrifice Bid Works for North

By Oswald & James Jacoby
Newspaper Enterprise Assn.

West's two-spade call was
one of those weak two bids
which have come into almost
universal use in expert cir-
cles. East's two-no-trump re-
sponse was also standard.
This response has nothing at
all to do with a desire to play
no-trump but is a forcing bid
designed to elicit further in-
formation from partner.

If South had passed, West
would have rebid to three
spades to show a very good
weak two bid. These bids
show 6 to 12 high card points
and West had 10 and a very
good suit. He made the same
bid over South's three club
call.

The rest of the bidding was
normal enough. East's jump
to six spades was based on
the thought that his partner
would hold only one heart and
would also hold the queen of
diamonds and North's final
seven club bid was made be-
cause he thought that West
would make his contract.

It was a good save. East
and West made one club, two
diamonds and a heart and
collected a 700-point penalty,
but the slam was there for
them.

South told West, "I bid
hearts to ask for a lead and
a heart lead would have given
you the spade slam."
West replied, "So would
any other lead. Suppose North

Hurricane s Again Dangerous

MIAMI, Fla. (AP)—Hurricane Beulah exploded in size and fury today and became once again a dangerous storm lashing a huge area of the western Caribbean.

"This is going to become a massive storm before we are through with it," said Dr. Robert Simpson, co-director of the National Hurricane Center. Beulah has become once again very dangerous storm."

Beulah was a small, tightly-wound hurricane when she appeared through the eastern Caribbean, killing at least 18 persons and taking a big toll of crop and property damage.

Knocked down to a tropical storm by her collision with the mountains of Haiti, she built back up to hurricane force today and Simpson said she was expected to continue to grow in both size and intensity.

She switched from a due west course toward Honduras and began angling toward the west-northwest to the general direction of the Yucatan Peninsula leading into the giant Gulf of Mexico.

A morning satellite picture revealed that Beulah again was fully organized and had spread out over a major portion of the western Caribbean. She was thrashing along slowly, sucking up energy from the warm sea waters.

Declares Horse Bit His Car

LONDON (AP) — A motorist appealed to the Royal Automobile Club today for help in a damage suit. He said his car was bitten by a horse.

Hugh Marsh, an engineer, said the horse took a "big bite" at the rear fender of his car on a ferry crossing the Irish Sea and the car has to be repainted.

Romney Takes Campaign to Negro Areas

ROCHESTER, N.Y. (AP) — Gov. George Romney took his undeclared quest for the Republican presidential nomination into a Negro neighborhood Wednesday night looking for answers—and got some hard questions.

Among other things, the Michigan governor was asked why he believed he could handle the nation when the major city of his home state had been torn by rioting this summer, rioting described as the worst in this nation's history.

Romney, who says he is making a 19-day sweep across the nation to learn more about the problems of Negroes and the cities, sat down in a storefront headquarters of a Negro organization named FIGHT. On one wall was a photograph of Stokely Carmichael emblazoned with his views on Negroes fighting in Vietnam: "Hell no, we won't go."

Awards Given at Scout Court of Honor

Romney leaves this city today to spend the next three days in New York City.

1.4 Million Students Out of School

By THE ASSOCIATED PRESS
Formal education for more than 1.4 million of the nation's youngsters continued at a virtual standstill today as teachers strikes dragged on in New York City, Detroit and a number of smaller communities.

An extra week's vacation in the Florida sun ended today for 90,000 Broward County pupils who returned to classroom in 102 public schools after teachers and the school board agreed on salaries.

In New York City the strike by the 49,000-member AFL-CIO United Federation of Teachers entered its fourth day with union leaders declaring they would defy a State Supreme Court order to halt the walkout.

Union president Albert Shanker and two other officials were to appear in court to show cause why they should not be cited for contempt. If adjudged guilty they would face a maximum penalty of \$250 and 30 days in jail.

The Detroit Board of Education was looking for new sources of funds to meet union demands as the city's 11,000 teachers stuck to a "No contract, no work" pledge.

There were 17 other school districts in Michigan where contracts had yet to be signed and at least five of those boards were counting on court orders to keep classrooms open.

Disputes continued also in Houston, Tex., and Providence, R.I.

The Michigan Supreme Court said it would review orders under which teachers are working in three cities but refused to stay those orders until it reaches a decision sometime next month.

The board's latest offer included a \$6,400 starting salary, up from the present \$5,800 and a 39-week work year. The DFT demanded a \$1,200 raise and a 38-week year.

In Broward County, Fla., the teachers settled for \$5,600 starting pay.

South Korean Say Armistice Is Scrapped

SEOUL (AP) — The South Korean government declared today the Korean armistice agreement has become "a mere scrap of paper" because of mounting attacks from the Communist North. It said it would "take certain very serious actions" against any further Red attacks.

Information Minister Hong Jong-chul said after an emergency session of the National Security Council called by President Chung Hee Park that North Korea must bear the responsibility for the situation.

Hong said Foreign Minister Choi Kyu-hah and Defense Minister Kim Sung-eun would confer with U.N. officials and leaders of the U.N. Command.

The council also discussed proposals for reviving the South Korean militia and deploying national police and troops to crush infiltrators from the North, a ranking government official said.

A ranking government official reported after the Security Council meeting that the government plans to ask the U.N. General Assembly to send a new U.N. group to supervise the armistice.

You Can't Keep a Good Locomotive Down—for Long

I read about it as a schoolboy, the most exciting story to come out of the Civil War. Walt Disney made it into a movie, "The Great Locomotive Chase." And now that redoubtable old veteran of the rails, The General, is back in the news again.

This time it's in the court news, but from the outburst of temper in Chattanooga, The General's old home town, it appears that a new civil war might be in the making between Tennessee and Georgia. For 70 years The General has been on public display at Chattanooga. I saw it there myself in 1926—the very same old wood-burner that Union soldiers stole during the Civil War and raced through the Confederacy in one of history's most daring raids. Chattanooga thought it owned The General by right of possession. Public collections had been taken up for years to keep the old engine spotless. And it was a working engine, too. It recently steamed out of the Chattanooga station and went on a United States tour.

But now the town of Kennesaw, Ga., where The General was stolen in the 1860's, is setting up a Civil War museum, wants the old locomotive, and suddenly the Louisville & Nashville Railroad gets highly legal, claims it holds title to the old engine, and promised to turn it over to Georgia.

But actual delivery was something else. They were taking the old General away when Chattanooga's mayor and police suddenly arrested everyone in sight and grabbed the locomotive.

Chattanooga went to court to make its position legal, and won the first round. But the L. & N. Railroad appealed.

I don't know why I feel like intervening in a fight between Tennessee and Georgia, but I do. Probably it's because I personally visited the General at Chattanooga, because that had been its resting place for 70 years—and because 70 years' residence supercedes any other plan or claim.

It just goes to show you that The General is Old Man Personality-Plus. In his youth he was a dashing war hero. Middle age found him an Elder Statesman whom thousands came to see and talk to. And as an old man he suddenly returns big as life to star in a 1967 courtroom drama.

Yes, sir, The Old General is still rolling . . .

Real Angry With IRS

OXNARD, Calif. (AP) — Raymond R. Scott is angry with the U.S. Internal Revenue Service. So he has locked himself in the garage of his service station and has been there since Tuesday.

Scott, 51, acted shortly after the federal agency filed a lien against his property. The lien said Scott had failed to pay \$797.73 in Social Security and withholding taxes during the fourth quarter of 1966. The agency also tasked a sign to his building warning against tampering or removing goods.

"This is a deliberate setup by me to get an investigation," Scott said, adding that he wants the Internal Revenue Service investigated.

His family is feeding him through a window.

"I'm going to stick it out until something is done," he said. There was no official comment from the government.

He Cooked a Little Too Good

ST. LOUIS (AP) — Noel Conway was such a good cook, the St. Louis workhouse didn't want to let him go.

The 22-year-old Conway, a former baker, served as workhouse cook while serving a brief term. When he was paroled Wednesday the city hired him as a cook—at the workhouse.

Final Plans Are Made for Stock Show

Final plans for the Third District Livestock Show and Rodeo to be held September 25-30 in Hope Fair Park & Coliseum were discussed last night in the Chamber of Commerce office with President Ray Turner presiding.

Also present were: Vicepresident Travis Ward, Judge Finis Odum, Sheriff Jimmie Griffin, A. P. Cox of Texarkana, Mayor John B. Gardner, Ellis Stewart of Prescott, Roy Wray and Buster Riggs, representing the Hope Jaycees, Gaylen Wilson and L. A. Sinyard, representing the Hope Riding Club, E. P. Young, Jr., Binford McRae, B. N. Holt and Donal Parker.

The Fair starts officially Monday afternoon at 4 P.M. with the downtown parade. Indications are that this will be the largest and best parade in many years. The Youth Talent Jamboree will be at 8 P.M. Monday night in the Coliseum and there is no charge.

The Fair Queen Beauty Pageant will be Tuesday night in the Coliseum and also starts at 8 P.M. and is free. Wednesday night will have the annual Quarterhorse show for performance classes. Halter classes will be at 1 P.M. Wednesday.

The Rodeo will be Thursday, Friday and Saturday nights in the Coliseum, produced by Texoma Rodeo Co. of Madill, Oklahoma. On Thursday night, a Freer will be given away, Friday night a Color TV set and Saturday night, a new 1967 automobile. Also on Saturday night, the Jaycees will award a shotgun, the Hope Riding Club will give away a Registered Quarterhorse filly and the Third District will give a beautiful saddle to the young lady, sponsored by a riding club, who has sold the most rodeo tickets. The drawing for each of these prizes will be held each night in the middle of the rodeo, just after the bareback riding and calf roping events.

Chattanooga went to court to make its position legal, and won the first round. But the L. & N. Railroad appealed.

Controversy Ignored, Navy Told to Proceed With Work on Plane

By GAYLORD SHAW
WASHINGTON (AP) — Secretary of Defense Robert S. McNamara has directed the Navy and Air Force to proceed with preliminary work on a new high-performance combat aircraft even as his TFX warplane program continues plagued by engineering problems and buffeted by political controversy.

Officials say the new plane would replace the F4, current first-line mainstay in the Vietnam air war, and would supplement—not substitute for—the TFX, or F111.

Designated the VFAX, the craft is intended to be both a fighter and a dive-bomber. It probably would have a swingwing, sport a new engine and pack the most advanced weapons and electronic gear, top Navy officials say.

As Pentagon studies continue, aerospace contractors are showing intense interest in what could develop into a multibillion-dollar addition to the U.S. air arsenal.

"The contractors are all doing a lot of work already," Vice Adm. T. F. Connolly, deputy chief of naval operations, told a Senate Appropriations subcommittee in testimony released Wednesday. "The situation has gone quite far."

At the same July 14 hearing, Paul H. Nitze, deputy secretary of defense disclosed that development of the Navy's version of the TFX, the F111B, now is 2½ years behind schedule because of "inherent technical difficulties."

Nitze and other Pentagon officials also conceded in their censored testimony that:

—The latest Navy test model is "extremely deficient in combat mission capability."

—Test pilots have reported the F111B models they flew contained 252 deficiencies, including 100 they classified as "mandatory for correction."

Adkisson said a lie detector test Lane took Monday indicated that he was innocent, and that records of the case showed that Lane had worn a beard immediately before and immediately after the abduction, while Bonds had described the abductor he believed to be Lane as being clean shaven.

"This has been an unfortunate incident of mistaken identity which was not foreseeable at the time this charge was filed," Adkisson said.

Lane, who has been free on bond since Oct. 30, 1953, was accused of kidnapping Bonds in an attempt to obtain the hospital room number of James Dean Walker, who was recuperating from wounds suffered in a gun battle in which a North Little Rock policeman was killed.

Charged along with him were his wife, Cecilia Mae, and James Burton Ing, a Reno, Nev., bar owner shot to death several months ago at Reno.

Adkisson said the charges against Mrs. Lane and Ing would be dropped if they hadn't been after Arkansas authorities failed in attempts to have them extradited.

FCC Backs Down on AT&T Order

WASHINGTON (AP) — The Federal Communications Commission told American Telephone and Telegraph Co. today it could defer \$20 million of an ordered \$120 million long distance rate cut until May 1.

The FCC thus backed down from its July 5 ruling that AT&T must cut its rate \$120 million by Oct. 1. In a 7-0 decision today, it ordered a \$100 million reduction effective Nov. 1 and postponed the remainder until next spring.

The FCC also reversed part of its July 5 order to allow the giant communications combine to include an additional \$544 million in its so-called rate base—the basis on which AT&T figures its profits.

But the commission remained firm on its earlier finding that AT&T must limit its rate of return on interstate operations to between 7 and 7.5 per cent.

AT&T originally had asked for a rate of return between 7.5 and 8.5 per cent.

Kidnaping Charge Is Dropped

LITTLE ROCK (AP) — A kidnaping charge lodged four years ago against Richard Tyler Lane, 34, of Steamboat, Nev., was dropped Wednesday by Pros. Atty. Richard Adkisson.

The ex-boxer was one of three persons charged in the abduction of William F. Bonds, night admissions clerk at a hospital here, on April 22, 1963.

Adkisson said a lie detector test Lane took Monday indicated that he was innocent, and that records of the case showed that Lane had worn a beard immediately before and immediately after the abduction, while Bonds had described the abductor he believed to be Lane as being clean shaven.

Tax Hike Depends on Spending Cut

By EDMOND LeBRETON
WASHINGTON (AP) — Federal Reserve Chairman William McChesney Martin Jr. urged Congress today to pass President Johnson's tax increase promptly—but he said he could not guarantee lower interest rates would result.

Martin told the House Ways and Means Committee "we have already clear and compelling evidence of a resurgence in inflationary pressures."

He said he could give no assurance that enactment of the 10 per cent income tax surcharge would bring interest rates down from their present high levels.

But he said: "I can assure you that interest rates will be much higher if the tax increase does not pass."

He said under questioning he could not estimate how much higher they would go.

In his prepared testimony, Martin said Congress should act as soon as possible on the tax increase. The legislators have shown every evidence of taking their time in considering the politically and economically explosive proposal.

These were the latest in a series of new targets to be hit this year.

An Associated Press check of communiques shows that more than 20 new, militarily vital targets have been struck by U.S. planes since February. McNamara reportedly had reservations about the values in bombing at least some of the targets, as well as the risks involved.

Phil G. Goulding, chief Pentagon spokesman, denied any approval had been given for striking the port facilities—a move McNamara has long opposed since Soviet vessels often are unloading there.

Two bridges, a railroad and a storage warehouse were attacked, all within two miles of Haiphong's center, all previously untouched and all removed from the docks themselves.

The White House for the second time this month denied any major disagreement existed among the top civilian and military heads. White House press secretary George Christian told newsmen Wednesday it was "not correct" to say McNamara opposed bombing within Haiphong.

Despite McNamara's contention that Hanoi cannot be bombed to the negotiating table, the face of the air war has changed significantly this year, both in terms of targets and numbers of flights.

The emphasis has switched from raids against moving "targets of opportunity" in North Vietnam's southern panhandle to strikes against fixed, key transportation and war-related industrial complexes in the northeast quadrant encompassing Hanoi and Haiphong.

Signs Show McNamara Red Missile Now Heeding Military Advice on Bombings

By BOB HORTON
AP Military Writer
WASHINGTON (AP) — Broadened U.S. bombing in North Vietnam suggests President Johnson may now be heeding his military chiefs more and Defense Secretary Robert S. McNamara less on the course of the war.

If true, the days ahead may bring more U.S. attacks in high-risk, politically sensitive areas of the communist country while magnifying whatever differences may exist between McNamara and the military.

A few days ago McNamara deprecated the need for striking the three major Communist ports of Haiphong, Cam Pha and Hon Gai. He told Congress this would not prevent the enemy from getting essential supplies through to forces in South Vietnam. The Joint Chiefs of Staff wanted all three hit.

Monday, Cam Pha was bombed.

Tuesday, American planes attacked Haiphong in what the military billed as an attempt to seal off the main port.

Hon Gai may be next on the list, with the timing dependent on when the port is empty of Soviet ships—the condition under which Cam Pha was raided.

These were the latest in a series of new targets to be hit this year.

An Associated Press check of communiques shows that more than 20 new, militarily vital targets have been struck by U.S. planes since February. McNamara reportedly had reservations about the values in bombing at least some of the targets, as well as the risks involved.

Nominees for the ASC Committees

The approaching election of SC community committees for arm program administration in today by R. B. Arnold, Chairman, Agricultural Stabilization and Conservation County Committee. He called particular attention to the fact that the community committee elections this year are a little earlier than in former years.

They are being held during the third week of September in all agricultural communities throughout the Nation in order to increase the awareness of the community committees.

The farmer-committee system is a unique means of administering national agricultural programs and policies. The community committees assist the ASC county committee in administering the price support, acreage diversion, agricultural conservation, and other farm action programs in the county; they are particularly responsible for keeping their neighbors informed about the programs.

The county committee supervises the ASCS county office and is responsible for the administration of the various programs. Voting will be by mail, the Chairman explained, and ballots have been sent to each known eligible voter. In case eligible voters fail to receive a ballot through the mail, one may be obtained by contacting the ASCS County Office. Generally, a farm owner, tenant, or sharecropper is eligible to vote if he is eligible to take part in one or more of the programs administered by the ASC committees.

Eligibility to vote or to hold office as a committeeman is not restricted by reason of race, color, creed, or nation origin. Envelopes containing marked ballot may be mailed or returned to the ASCS County Office anytime before September 21, 1967. Ballots will be tabulated publicly by the county committee on September 26, at 9:00 a.m. in the ASCS Office. The public is invited to witness the vote counting.

Following are the slates of nominees for ASC community committees:

A-B Spring Hill - Patmos; Mrs. Weaver Atkins, T. L. Brint, B. V. Jester, C. P. Jones, Oliver Lloyd, Paul W. McCormack, Jim Stuart.

C-H Shover Springs - DeAnn;

D-Hope; Robert Cash, Calvin Hare, Shep Jackson, Charles W. Key, Sr., Ralph Montgomery, Ned Purdie, Sr., C. L. Roberts, W. J. Schooley, Audrey Wilson.

E-F Fulton - Crossroads; Pete Allen, J. J. Byers, Wiley M. Dillard, Jr., Wade Gilbert, R. E. Lively, Ernest Mitchell, Herbert R. Raley, J. E. Tyler, James Voss, Alexander L. West.

I-Blevins - Sweet Home; Sanford Bonds, Z. T. Brooks, Carl A. Brown, Virgil E. Brown, Welton Fulton, Lee Hendrix, Dallas Hugg, Guy Loe, James M. Walker.

G-K Washington - Ozan; R. J. Hill, Ira Flowers, Joel Green, J. M. Green, Rush Jones, A. L. Myers, Moss Rowe, Fay Walker, B. C. Webb.

J-L McCaskill - Blingen; Hugh Davidson, H. E. Erwin, F. U. Flaherty, E. H. Hill, Thomas Jones, Emmet Sweat, William Walker, Arthur M. Wimmell.

For each committee three regular members and two alternates will be elected. The chairman, vice chairman, and third regular member of the elected ASC community committee will also serve as delegates to the county convention to be held within the next few weeks. The alternate committeemen will also serve as alternate delegates to the convention.
